I'm an experienced PHP Web Application Developer, skilled at crafting efficient, scalable, and secure solutions. Passionate about staying abreast of emerging technologies and industry trends to drive innovation and deliver exceptional user experiences. I can also be pretty handy with Node JS and Python development. Experienced with all stages of the development cycle for dynamic web projects. Well-versed in numerous programming languages including HTML5, PHP, Laravel, Node JS, Python, JavaScript, CSS, MySQL. I can also manage popular web servers that includes Linux and Amazon AWS and Cpanel.

EXPERIENCE

2015 – PRESENT
